

# Temporary financial measures

We recognize that many residents may be facing uncertain economic times and new financial challenges. In addition to Provincial financial support, locally we have implemented the following temporary measures:

- Payments can be deferred and penalties on Utility accounts will not be applied for the months of March, April, and May 2020.
- Penalties will be waived for 2020 Taxes for ninety days beyond the posted due date.

If you are concerned about outstanding balances and payments, we will be happy to work with you. Please contact us at 403-337-3341.
