When you bring someone a meal, you show that you care. For the more than 2.4 million seniors who depend on Meals on Wheels each year, a quick chat and a warm hello can make all the difference in the world.

More than 2 million dedicated volunteers make up the backbone of Meals on Wheels, a national, community-based network committed to seniors' health, safety and well-being. Together, this network delivers 1 million meals to seniors in need each day.

They also provide important safety checks – and make meaningful connections with seniors in their communities.
